Subject: Approval of Amended Notice of Intention to Commence Small Mining Operations, Pine Ridge Excavation and Landscapes, Pine Ridge Rock Products Mine, S/057/0010, Weber County, Utah

Dear Mr. Lockwood:

The Division finds your amended Notice of Intention to Commence Small Mining Operations (NOI) complete. You are now permitted to conduct small mining activities as outlined in the amended NOI, provided you have approval from all other appropriate agencies and the land owner, Mr. Karl Jensen. The approval or acceptance of a complete NOI does not relieve an operator from his responsibility to comply with the applicable statutes, rules, regulations, and ordinances of all local, state and federal agencies with jurisdiction over any aspect of the operator's mining operations. Enclosed please find a copy of the approved amendment to the NOI.

Prior to resuming any mining activity, please provide to the Division a copy of any current use permits from any affected county (Cache and Weber), and a notarized copy of any right of entry or right of use agreements with Mr. Jensen.
